By John Foster, Ern Finnis, Maureen Nimon : Bush, City, Cyberspace: The Development of Australian Children's Literature into the 21st Century (Literature and Literacy for Young People) jstor is a digital library

of academic journals books and primary sources latest breaking news including politics crime and celebrity find stories updates and expert opinion Bush, City, Cyberspace: The Development of Australian Children's Literature into the 21st Century (Literature and Literacy for Young People):

Aimed at academic professional and general readers Bush city cyberspace provides a snapshot of the state of Australian children s and adolescent literature in the early twenty first century and an insight into its history In doing so it promotes a sense of where Australian literature for young people may be going and captures a literary and critical mood with which readers in Australia and beyond will identify The title of the work is intended to capture the fact This book would be of interest to anyone who is involved with children s and adolescent fiction or in changes in how Australian society is portrayed through literature Tamara Kowarsky Parkwood Secondary College North Ringwood
